

ROSE HILL
COMMUNITY CENTRE

ACTIVITIES / GYM / ROOM HIRE

Our modern community centre is fully accessible and brings together a brand new state-of-the-art gym, meeting and conference facilities, social club, advice centre, youth suite, health hub and changing facilities.

We have fully equipped, air conditioned, flexible rooms and spaces perfect for meetings, conferences, classes, examinations, rehearsals and parties.

Access to the building is at ground level and fully accessible for all. We have two assessable toilets and a shower facility on the ground floor, with a lift up to the first floor which also has a assessable toilet. We have two baby changing facilities and breastfeeding is welcome throughout the building.

Please be aware many of our activities are run independently from the centre and are subject to change at short notice. We recommend contacting the centre before visiting for the first time to ensure the session is still running.

Our contact number is 01865 749597.

Our email is rhcc@oxford.gov.uk

Additional activities and events are available to view on our website and facebook page.
